MANY THANKS TO:

29TH ANNUAL GOLF TOURNAMENT

Monday, April 21, 2025 at Riverbend Country Club

The Rotary Club of West U (Houston) is thrilled to announce the return of its annual Charity Golf Tournament in 2025 at Riverbend Country Club on April 21st. We extend a warm invitation for you to join us either by participating as a player or sponsoring. Over the past 29 years, the Club has been hosting a golf event, dedicating its proceeds to giving back to the community and supporting the mission of its beneficiary association.

This year's tournament supports Easter Seals Greater Houston and its vital programs: High School High Tech and Employment. Over 70% of the students and young adults served by ESGH come from low-income families and face significant challenges, including higher dropout rates and increased risk of entering the juvenile justice system. Additionally, a staggering 70% of people with disabilities are under-employed or unemployed. ESGH programs provide crucial services and support to help students and adults with disabilities gain the skills and confidence they need to secure meaningful employment. All proceeds from the tournament will directly support high school and young adult participants in achieving their employment goals through a range of essential services and support. Join us on the course and make a real impact!

You can show your support by:

- Registering to play
- Sponsoring the tournament
- Sponsoring a hole
- Providing a door prize
- Making a donation

Sponsorships and donations are tax deductible up to the legal limits.
The enrollment and sponsorship form is attached.

About the Rotary Club of West U (Houston)

The Rotary Club of West U was founded in 1995. From its first day it has been a vibrant and dynamic service organization made up of people with a passion for service.

The Club organizes two major fundraisers each year, one being the annual golf tournament and another the flag program that launches 1,700 flags in the West U area on four national holidays. Donations to the flag program fund numerous service projects each year, both locally and internationally.
