- You will then be asked if you'd like to make a donation. This will go toward your \$50 registration minimum. You will also be asked to input your credit card information for your fundraising commitment. A fundraising commitment is a minimum amount that each participant agrees to raise to attend Walk With Me. This helps us ensure that every participant contributes to the cause and that we can meet our fundraising goals. For anyone age 11 and up, the commitment is \$50. We require your credit card to be on file to cover any part of your commitment that you don't raise. If you don't meet the \$50 commitment by the time you pick up your packet, we will charge your card for the remaining amount. For example, if you've raised \$35, we'll only charge your card for the remaining \$15.
