

How to make a donation

1. Go to WalkWithMeHouston.org
2. Click the **Donate** button on the home page

3. You can choose the amount you'd like to donate or type in a specific amount. If you'd like to **donate to an individual or a team**, select **Choose someone**, then you will be able to type in the name of the participant/team. Once you find the team/person, hit the "**support**" button. OR if you'd like to **donate to Walk With Me in general** and not to a specific team or person, tick the box that says "**no one specifically, just the overall campaign**". Here, you can also select if you'd like to include a message to the participant and if you'd like to cover credit card fees.

A screenshot of the 'Choose Your Gift' donation form. At the top right is a close button (X) and a 'Sign In' link. Below is a progress indicator with three circles, the first of which is filled. The title 'Choose Your Gift' is centered. Below the title are seven buttons for donation amounts: \$25, \$50, \$100, \$250, \$500, \$1,000, and a custom amount field with a dollar sign and a vertical line. Below these is a section titled 'Whose fundraising efforts would you like to support?'. It contains two options: 'Choose someone >' with a person icon and a lock icon, and 'No one specifically, just the overall campaign.' with an unchecked checkbox. Below this section are three more checkboxes: 'Include a public message of support', 'Dedicate this gift', and 'Add a little extra to your total to help with fees.' with a help icon. At the bottom is a large orange 'Give' button.

4. Please fill in all the information on the next screen. If you are donating on behalf of a company, please select "Corporate Gift".
