

Volunteer Opportunities

Weekdays throughout the year:

The Adult Day Program (ages 21+) meets Monday - Wednesdays for yoga, games, bingo, crafts and other activities along with community outings planned throughout the month. Volunteers assist participants with the activities, and help with feeding (as the volunteer is comfortable). Church groups and high school or college organizations are invited to plan field trips or special classes for our Adult Program to enjoy, such as trips to museums or sporting events, or classes focused on art or music.

The Ready to Achieve Mentoring Program (RAMP) is a career-focused program for youth with disabilities involved with or at-risk of becoming involved with the juvenile justice system. Volunteers serve as mentors to the youth, on mock interview day and internships during and after school at various locations. Must be 21+ to be a RAMP mentor.

Mock Interview Day(s) are held at two locations (two days) each spring, typically in April. You do not need to be a RAMP mentor to volunteer for Mock Interview Day.
